P 6 & 7

Batcave 1 is getting super active and super festive this season; earning

their wings.

Not only are they organising the collection of goods for the Christmas Hampers (for the elderly residents that live in the local area), but they will also be helping to deliver these bags of goodies. Be a hero too! Help our minions by donating what you can.

After all of that hard work, the class will be taking to wing and flying over to Ballymoney High School, to watch, what we're sure will be, an excellent version of Oliver. But remember, not all of our creatures sing like angels at this time of year. Beware singing cats!

P Space.

The final frontier. These are the voyages of the intrepid heroes of Miss Gibson's class. They'll be searching out new life and new civilizations; to boldly go where no pupil has gone before. Nah! Not really. Our little stars are learning about their new topic—SPACE. Happy exploring!

As we all know, superheroes need special powers for the use of good. Our little explorers are no exception. They have been learning how to play the tin whistle. Surely, an instrument to fight evil—or for the Christmas Assembly.

At this time of year, seeing is sometimes believing. Can our little ones master the Mannequin Challenge? Look out for these statues on our website!

P 1 & 2

Brrr! It's cold in here! Has Mr Freeze been visiting?

Miss Brolly's minions have been learning all about winter. Not only did they create a mini-me for display, dressed in bright, winter clothes, but they also whizzed around the technical world of iPads; taking cool photographs of our frozen landscape and sorting them into a winter wonderland presentation, using Pic Collage. As if that wasn't enough, our P2's are brain training with spellings and tests. Super minions, indeed!
