Principal's Voice:

A somewhat belated welcome back after the excitement of Christmas. With our wolf pack, our intrepid space explorers and our little travellers it's all happening. We are boldly going forward.

We have started the NSPCC Keeping Safe programme. You will notice there are accompanying homeworks. Please make sure you talk about what the children are learning and sign the sheet for the children.

Keep checking the website to see what the children are doing in class. Updates on adverse weather will be on Facebook or sent as text messages.

Miss Henry

P P6 and 7 are back to school
And the topics that are running, are super cool
But *paws* a second, don't you dare nap
6 Inside the *lair* of our *wolves'* pack
For they're learning about the Environment and cleaning up litter
& However, our young *cubs* won't be bitter
For they're also learning about the treasures our world holds
Including wolves, who are mighty bold
7 But unlike other dogs who can make a mess
I'm sure our pups will be a howling success.

They won't be floating in the ether for too long, though. They'll be grounded on the moon, discovering the amazing adventures of Neil Armstrong. As he said, it's ...

P 1 & 2

Miss Brolly's little Minions are jetting off on a discovery of Transport and Travel.

ZOOM!

They've already had an exciting time in their new Travel Agents; booking holidays to Minion Land and Cake Land, which is a real place! Omnomnom

Flying along with them on the theme of transport, will be Bee-bots. Who knows where our little minions will buzz off to next?
