

June Newsletter

Principal's Voice:

We are in to the final countdown for the summer. Please note that reports will not be issued until 29th June this year. Children who are not at school will receive them in the post as soon thereafter as possible.

Monday 20th June at 6.30pm we will be having an animation evening for parents. It is not possible to have 2 nights so I will try and fit in all the required elements in one evening. We can always do more next year. Not sure how long it will take! Come along for the craic and we will see how it goes.

Have a great summer and stay safe. Remember sun cream and hats.

Thanks for all your support over the last school year.

Miss M Henry
