

March Newsletter

Principal's Voice:

Thank you for the 91% response rate for the parent Questionnaire. Once the results have been collated information will be distributed to parents. I will include information from the children's questionnaire too. There are some areas we can improve and these have already been set in motion. Your feedback is very much appreciated. The staff would like to thank you for the many positive comments.

The Summer Scheme will run the week beginning 24th July as once again the level of interest has been extremely high.

Miss M. Henry

School Council News

The School Council successfully organised craft activities for the House group for Valentine's Day. Some exceptional pieces were created for loved ones.

P6 & 7

Are working on life cycles, plants, angles, measures and have been working on similes, onomatopoeia and synonyms.

It is the wolves topic that continues to be a howling success as the children are producing talking eBooks of facts, figures and images.

SNAG—Have decided to reintroduce their 'Food Tasters' once a month to allow children to sample healthier snacks.

Star Pupils:

Wade, Lewis E., Alfie, Cade, Yasmyn, Anna and Megan.

House Points:

Blue 331, Red 295, Yellow 291, Green 273

Miss Gibson's class are trying to avoid disaster by learning about natural disasters. They are investigating Tsunamis, hurricanes, volcanoes and earthquakes to name but a few.

Miss Brolly's class are studying the works of Julia Donaldson. One of her best known works is of course, *The Gruffalo*.
