

November Newsletter

Principal's Voice

You made me do it, I didn't want to do it but it was a great Halloween evening for both children and parents. Fangs for that!

THANK YOU.

Anti-Bullying week is coming up the week beginning 14th November.

The School Council will be organising the Christmas hampers soon for the older people in the village.

There will be a Christmas Assembly in school, for parents, some time in December. We will let you know once we have confirmed a date.

Miss Henry

P 1 & 2

Miss Brolly's minions have been working so hard, we hope you can keep up! The Dr's surgery was a 'big hit'; they've learned about shapes & their properties; patterns were made with shapes; Autumn leaf rubbings, using pastels, were super pretty; little minds grew in cyberspace, with online Education City; they hatched their literacy skills with reading eggs; and they had spooky fun for Halloween! (now breathe) Wonder what's in store for them in November?

P 3, 4 & 5

The heroes are continuing their great works by delving further into the world of Flat Stanley. Miss Gibson's class have used their powers to create life sized versions of this loveable character—to scale! No mean feat. The brain juices flowed right into Maths Week, where all had fun,

Lewis R., Molly G., Yasmin, Kael, Amy, Wade

P 6 & 7

Our heroes from Batcave 1 have been battling hard! Not only have they ended their struggle against the forces with light versus darkness—a challenging expression of art, indeed. But our valiant minions have also been engaged in the mental challenges of **Maths Week!** Here, their mental powers were used for good: through Number Challenges, Maths Art, Stopwatch Tasks in under a minute and in the training of the next generation of our heroes, in using Dot and Dash. So we hope our heroes have rested well. For there are many challenges still ahead. But remember →

Maths Week

In October, the whole school was split into their houses and worked on different Maths tasks for a week. We made patterns, completed one minute challenges, had fun with mental maths games and learned about coding with Dot and Dash. We all worked hard but had great fun. Photos on the website are coming soon!

Miss Brolly

P 6 & 7 will start swimming on **Friday 11th November**. This will cost **£2** per person.

Milk money for **7th November to 16th December** (Xmas hols., woohoo!) will be **£6.00**.

Could any outstanding school fund also be paid into school as soon as possible, please. Thanks!
